

AAUP Officers and Council, 2020–21

AAUP officers are ex officio members of the Council. A list of Association officers, general counsel, and Council members, as of January 1, 2021, follows, with dates of term expiration noted at the end of each entry. An asterisk denotes an individual who is ineligible to run again for another consecutive term in the same office. The distribution of states in each district is based on the redistricting plan approved by the Council on June 17, 2016. Council members whose districts have changed will continue to serve in the district in which they were elected until the completion of their current terms.
